PROFESSIONAL SUMMARY

Computer Science graduate with experience in technical support, web development, and hardware/software troubleshooting. Currently supporting 3D printing solutions, customer workflows, and technical demonstrations. Experienced in JavaScript, HTML, CSS, AR technologies, and remote software collaboration. Seeking remote opportunities in technical support, QA testing, application support, or junior software development.

TECHNICAL SKILLS

Programming: JavaScript, Python, C#, C++, PHP

Web: HTML5, CSS3, JavaScript, Responsive Web Design

Database: MySQL | Tools: Git, GitHub, Visual Studio Code

Technical Support: Hardware troubleshooting, software installation, user support

3D Printing: Mingda Magician X2, Magician Max, Magician Pro, Ultimaker Cura, Tinkercad

PROFESSIONAL EXPERIENCE

Technical Support Specialist / Sales Technician

Utamatech B Sdn Bhd | 2024 – Present

- Provide technical support and guidance for 3D printing products, software workflows, and customer issues.
- Support Mingda Magician X2, Magician Max, and Magician Pro printers through setup, operation guidance, and troubleshooting.
- Prepare print files using Ultimaker Cura and create basic 3D models using Tinkercad.
- Assist customers with printer operation, software installation, and technical workflows.
- Supported educational events by setting up printers and demonstrating 3D printing processes.

PROJECTS

Location-Based Augmented Reality Quiz Application (Geo-AR Quiz)

Final Year Project, Universiti Brunei Darussalam

- Developed a web-based AR quiz application using HTML5, CSS3, JavaScript, JSON, and A-Frame.
- Implemented location-based and marker-based AR functionality with interactive quizzes, scoring, and user interaction.

Personal Portfolio Website — GitHub Pages

- Developed and deployed a personal portfolio website using HTML5, CSS3, JavaScript, Git, and GitHub Pages.
- Live: <https://simonwsl.github.io/wuselim-portfolio/>

PREVIOUS EXPERIENCE

Web Developer Intern — TOQQA Global (Remote)

Aug 2020 – Dec 2020

- Designed website interfaces and navigation layouts with focus on usability.
- Developed responsive web designs using Flutter, CSS, and JavaScript.
- Collaborated remotely during product development and testing.

Web Developer Intern — Nuara Group Sdn Bhd

Jan 2021 – Apr 2021

- Assisted front-end development tasks for a prototype website.
- Organized product translation files and supported software access.

AutoCAD Draftsman — Menara Gemilang Sdn Bhd

Jan 2018 – May 2018

- Created technical drawings and layouts using AutoCAD software.

EDUCATION

Bachelor of Science in Computer Science — Universiti Brunei Darussalam | 2018 – 2023

Cambridge GCE A-Level — Sengkurong Sixth Form Centre | 2016 – 2017

ADDITIONAL INFORMATION

Languages: English, Malay, Mandarin

Leadership: President and member of UBD Basketball Club.
